

ON TRIAL FOR LIFE,
YOUNG WIDOW KEEPS
EYES ON JURYMEN

Mrs. JENNIE WERNER.

Mrs. Werner May Take Stand to Deny She Plotted Murder of Her Husband.

HERKIMER, N. Y., April 21.—Mrs. Jennie Werner, on trial for her life as an accomplice of Rutger Warder, who was recently convicted of slaying her husband near Ilion, Feb. 21, is taking a grave interest in the picking of a jury to sit in her case.

With only six jurors drawn, the first panel of 150 talesmen is nearly exhausted and a second one probably will be drawn to-day.

The young widow of the slain man comes to court every morning attired in neat fitting black dress, in company with Mrs. William Cress, the jail matron. The two converse frequently and the defendant smiles at some of the replies made by prospective jurors. It was said that when she goes back to the cell in the Herkimer County Jail, which is shared with her mother, Mrs. Minnie Woodbridge, who also is accused of first degree murder as an accomplice of Rutger Warder's, the widow breaks down and gives way to tears.

The defense probably will attempt to refute the evidence given by Rutger Warder in a confession made to Herkimer County officials on the night following the crime. In this confession Warder admits killing Henry Werner and he accuses the wife and mother-in-law of the slain man of plotting the crime and assisting him in the carrying out of the details.

It is expected that Rutger Warder will take the stand for the prosecution. It is believed that to offset this testimony Mrs. Werner will take the stand in her own defense.

ATHLETIC RACES
ON SUNDAY O. K.

Corporation Counsel Approves Permit for Cross-Country Championship at Van Cortlandt.

Park Commissioner Hennessy received an opinion from Corporation Counsel O'Brien to-day approving the permit issued by the Commissioner for the Senior and Junior Cross-Country Championship contests of the Metropolitan Association of the Amateur Athletic Union at Van Cortlandt Park on Sundays, April 24 and May 1.

The legality of having the races on Sunday was questioned by Secretary McMillan of the New York Sabbath Observance Committee, who had asked the police to prevent the races.

The Corporation Counsel said that in a conflict of the wording of laws the courts had repeatedly held that when athletic contests were of a nature which did not involve the collection of a disorderly crowd and at which no admission was charged were not "breaches of the peace" within Sunday laws.

Commissioner Hennessy said nothing would be permitted to interfere with the contests as planned.

RECEIVER IS NAMED
FOR HAMMERSTEIN

Unproductive Opera Season Assigned as Cause—Assets Are \$1,000,000.

Lawrence Berenson was to-day appointed by Federal Judge Julian Mack receiver in equity for the Hammerstein Opera Company and Oscar Hammerstein, Inc. The appointment followed a suit brought by John Bischo for a claim exceeding \$3,000. Attorneys Campbell, Flaherty, Turner & Strauss are his counsel, while the Hammersteins are represented by Henry C. Neuwirth of No. 251 Broadway.

The action of Bischo is the outgrowth of the recent findings of the Supreme Court referee in the suit of Stella H. Keating and Rose H. Tostevin, daughters of the late Oscar Hammerstein by his first wife, for \$124,567, which counsel for the Hammersteins announced will be appealed. The Hammerstein interests claim assets in excess of \$1,000,000, but say that they are hard pressed on account of the recent unproductive opera season. The principal asset is the Manhattan Opera House at 34th Street and Eighth Avenue, which is mortgaged for \$400,000. Bischo claims to be a stockholder in the Hammerstein interests and says there are more than \$40,000 of other liabilities.

The John Wanamaker Store

Retail Prices ARE Down at Wanamaker's

Read this Statement from
DUN'S REVIEW of April 16

"Thus far, only the larger retailers who have an active turnover are offering goods at the new prices warranted by the reductions in manufacturing channels, but it is believed that the reductions will later be noticeable in all stores throughout the country."

This applies to our regular stocks

In addition to the lower prices on regular merchandise we are offering certain purchases every day bought under the new prices of manufacture—for instance:
